

# “Communities at the centre”

Wednesday 4 March 2020 | 9:10 – 10:00

Room M3- Vienna International Centre

*Communities make the difference*

**Communities of people using drugs are at the forefront of increasing access and delivery of health and human rights based programs.**

**The “Communities at the centre” side-event will discuss the positive impact of community-led human rights based policies and interventions, addressing barriers, taking stock of the various responses and opportunities for increased **community-led interventions by communities and for communities****

## Speakers:

- **Belarus** Member State
- **Shannon Hader** Joint United Nations Programme on AIDS
- **Mick Matthews** International Network of People who Use Drugs
- **Happy Assan** Tanzania Network of People Using Drugs
- **Miwa Kato** United Nations Office on Narcotics and Drugs

## Moderator: Switzerland
